# Peoples Telecommunications Internet Only Agreement

**Please read and initial:**

\_\_\_\_\_ Surge Protection and Grounding – Customer agrees to properly surge protect their computer equipment and any additional devices attached to said equipment. Peoples Services is not responsible for any conditions, outages, or problems that result due to power surges, or lack of surge protection. **BATTERY BACKUP RECOMMENDED**

\_\_\_\_\_ Firewall Protection – Peoples Services is not responsible for any external intrusion to the customer’s network equipment. The customer is responsible for providing firewall protection in an effort to help prevent intrusions. Since this service is an “ALWAYS ON” connection, it is Peoples Services recommendation that customers have appropriate firewall protection on their equipment when using Peoples Services Internet service.

\_\_\_\_\_ Router Placement-I will consult with the on-site technician and agree to the placement of the router. I understand that if the router is not placed in a centrally located spot within the residence, quality of service may be affected. Charges for moving the router at a later date will apply. Potential charges associated with moving the router may include but are not limited to a Trip Charge of \$40 and \$25 per half hour wiring.

**I have read and understand the provision of this entire agreement and certify that the all information provided is current and accurate.**
